Description

An antique Windsor elm and beech elbow chair. The antique windsor elbow chair has a beautifully turned spindle back, with shaped arms raised on turned supports. The Windsor elbow chair has a solid elm saddle shaped seat, raised on turned legs with 'H' stretcher support. Item Ref; M-3587 . DIMENSIONS: Height – 106cm / Width – 63.5cm / Depth – 70cm / Seat Height - 43cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the seat, as well as a split to the front (pictured). There is further wear, including fading to the arms (pictured) and marks to the legs. The antique windsor elbow chair remains structurally solid and sound, with good tight joints. Overall, a rather great example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
