Description

Circa 1920-1940 a beautifully made large bronze cross with four lapis lazuli inserts in the centre and round brass balls at the ends of each arm. It weighs 1.3kgs and is in very good condition. It measures 40cm in length and approximately 34.5cm across; three arms are 11cm in length and the lower one is 16.5cm. The thickness and the quality of the casting can be seen in the close up photos 3 and 4, and there is a purpose made drill hole in the centre to allow it to be fixed to an object or wall. Postage and packing is included for the UK mainland and for remote areas or abroad please contact us for a delivery quote.
