Description

A charming 19th century ring set with four natural turquoise cabochons and eleven gleaming seed pearls. In Victorian jewellery turquoise always represents the forget-me-not and this ring may have been given to a girl by her sweetheart to remind her of him while they were apart, or could even have been a wedding band, as was not unusual with this type of design. A sentimental gift for a loved one, a pretty engagement ring or just an everyday gift to yourself! Size: P (UK), 7.5 (US). The ring is not hallmarked but tests as 15-carat gold. Weight: 1.8g.
