Height = 11 cm (4.3")

Width = 5.5 cm (2.2")

Description

Silver oval hip flask with hinged lid. The rounded shape and smooth surface make this a very tactile hip flask that is just the right size to slip into a pocket. The lid, which is opened by a twist and turn action, retains its original cork seal. The condition is good. c. 1910 Code: D784 Height: 4.25" 11 cm Width: 2.25" 5.5 cm Depth: 1" 2.5 cm
