Description

Here is a beautiful little cut glass perfume bottle by Charles May of CC May & Sons, with a faceted body, hinged repousse silver top and small glass stopper, bearing the hallmark of Birmingham 1900, and the 'CM' mark for Charles May of CC May and Sons. This little bottle is in excellent used condition, commensurate with its age, having no cracks, chips or repairs, and remains a sparkling beauty, with a securely fitting stopper and silver top. The silver top has a few gentle dings, but these are barely noticeable with the piece. Please have a look at the photographs to see the full detail. I have left the silver cleaned but not polished so that the buyer may choose how they prefer it displayed. It measures 7.5cm tall, and 2cm across. Please do not hesitate to get in touch if I can provide any further information.
