Description

Created by Arthur Cook of Birmingham in 1903, this little cut crystal pin box has a repousse silver lid and is fully hallmarked. The little box is in a used condition with the lid showing signs of its age with dings to the silver work - please see the photographs for a full impression of the condition. The glass is bright and clear with crisp hobnail patterning around the sides, and with no cracks, and only one barely perceptible chip to the inner rim. The box measures 8cm in length, 3cm wide and stands 2.5cm tall. It really is a lovely little box, ready for keeping pins and treasures! Please do not hesitate to contact me if I can provide any further information.
