Description

An 18th century antique oak mule chest. The antique oak mule chest has a hinged lid that opens to reveal a spacious interior. To the base is a full-length drawer with two brass drop handles, raised on bracket feet. The antique oak mule chest has brass handles to either side. A wonderful colour and patina throughout. Item Ref; M-3575 . DIMENSIONS: Height – 72cm / Width – 106cm / Depth – 55cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the lid (pictured). The antique oak mule chest remains structurally solid and sound, with the drawer running well. Finished with a fresh coat of natural wax. Overall, a good example. Please note, the brass handles are for decorative purposes only and should not be used as carrying handles.
