Description

A fabulous 19th Century Architectural Drawing of the Griffin from the Forum of Trajan in Rome. The quality is outstanding and was clearly worthy of the prestigious ESK blind stamp. ESK Examined South Kensington. There is a break in the glass but because the back has not been opened I have left as it is and I am happy to sort it out or leave it for the new owner to do this and find more about it. Please call or email me if you would like more information. Many thanks Karen 07866 475069
