Description

Waltham Traveler full hunter pocket watch, 1913. The watch has a stem-winding movement, Traveler grade which is working well. The fully signed movement has 7 jewels and the serial number 19252736 which dates it back to 1913. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking from use and a couple of small "dings" to the inner and outer covers but overall it is in nice condition for a 1910s piece. The winding crown pushes in to open the front cover. Inside there is a glass lens in nice condition. The signed dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
