Price

Sold**Item Reference: SA874335****Date of manufacture: 1900**

Dimensions

Height = 25.6 cm (10.1")

Width = 5 cm (2.0")

Description

A rare large solid sterling silver Royal coronation spoon. It is hallmarked for London 1901 with the maker's marks being that of Saunders & Shepherd. It has been superbly made as a anointing spoon for the coronation of King Edward VII. It is in superb condition being free from dings splits and repairs, wear to the gilding. It measures approx. 10 inches (25.6cms) long by 2 inches (5cms) wide and weighs an impressive 102 grams. A very nice quality example.

Internal Ref: 27315
