Description

Dating to around 1860, this stunning box was created from the most exquisite and highly decorative piece of timber. Zebrano also known as zebrawood and zingana, is a golden-colored hardwood with thin stripes of dark chocolate brown and black. This exotic wood (whose striping pattern somewhat resembles a zebra) with its lustrous surface, durability and grain pattern make it a popular choice in modern design and a true fashion statement in the 21st century. The exterior is enhanced with beautiful polished brass mounts, having been professionally re-polished to gleam. The interior has been re-lined in a hand-marbled paper, creating a wonderful clean interior. A striking desk-top box for the discerning. Excellent condition measuring 9" x 4 1/2" x 6 1/2" tall. Complete with working tasselled key. Item ID: 32487 ----- FREE Worldwide Registered Airmail Directly From London, England
