Description

A stunning antique four drawer server console table, designed in the Carolean style. This was made in England & it dates from the 1920-30's period. The quality is absolutely superb, with incredible carving throughout all over the base, and amazing burr walnut grain patterns. This is the size of a small sideboard, it's beautifully designed and is an extremely impressive piece. The four drawers are felt lined and contain cutlery dividers, except for the lower right drawer which is just felt lined. The hand cut dovetailed joints in the drawers are exquisite, displaying the level of craftsmanship this took to make. Width – 50 inches , 127 cm Depth – 23 inches , 59 cm Height – 35 inches , 90 cm
