Description

Gents Omega wrist watch, 1964 The watch has a 17-jewel calibre 620 hand-winding movement which is working nicely. The movement is fully signed and the serial number 21,741,204 dates it back to 1964. The watch measures 31.5mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated and the case back is stainless steel. Overall the case is in good condition with just light surface marks and a little rubbing visible through a magnifying loupe. The inside of the case back is signed with the Omega logo and it has the case reference 111.046 which is correct for the calibre 620 movement. Omega signed winding crown. The lens is in good condition. The signed dial is in its original finish with original hands. A later leather strap has been fitted and it has an Omega buckle. The watch comes in a new presentation box.
