Height = 71 cm (28.0")

Width = 61 cm (24.0")

Description

A good quality antique 19th century bronze gasolier in the classical taste, converted to electricity, the three scroll branch arms cast with acanthus leaves emanating from a central flowerhead, hung from three chains and with double ceiling rose. A very good quality casting with hand finishing, dating from the mid 19th century. Converted and adapted for electricity with antique style twisted cloth flex. In excellent condition with replacement chains and ceiling rose. Drop 71cm including chains but adjustable.
