Description

George III mahogany chest of two short and three long graduated and cock-beaded drawers, with original cast gilt handles and escutcheons; good mouldings and standing on ogee bracket feet. Rich colour and good patination. Circa 1770 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in 2022!
