Description

An attractive antique fruitwood hanging corner cupboard. The antique hanging corner cupboard has a single door with a decorative shell inlay to the centre, that opens to reveal a white painted shelved interior. A particularly neatly proportioned corner cupboard. Finished with a fresh coat of natural wax. Item Ref; M-3561 . DIMENSIONS: Height - 100cm / Width - 90cm / Depth - 56 cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and splits to the shelved interior (pictured). There are some minor losses and splits to the right side corner (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique hanging corner cupboard remains structurally solid and sound. Overall, a good example.
