Description

Circa 1910-1930 an elegant and well made brass lamp that may once have been the base of an oil lamp converted into electricity many years ago. It has recently been rewired to UK specifications and PAT tested and fitted with a new felt base. The lamp measures approximately 30.5cm in height and the base is 12.5cm in diameter and it weighs 1.6kgs. It is in very good condition with no signs of damage or repair and has been professionally polished but not lacquered. Postage and packing is included in the price for the UK mainland and for remote areas or abroad please contact us for a delivery quote.
