Description

A fantastic antique Georgian mahogany lowboy side table. The antique Georgian lowboy table has a rectangular shaped top with a moulded edge. The antique Georgian lowboy table has an arrangement of three drawers, each with brass drop handles. The mahogany lowboy table has a decorative shaped apron, with brass carry handles either side. Raised on four cabriole legs with pointed pad feet. A particularly good example with excellent colour throughout. Item Ref; M-3166 . DIMENSIONS: Height – 71cm / Width – 100cm / Depth – 61cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and stains/fading to the surface top (pictured). There are minor losses to the drawer tops (pictured), and back corners (pictured). The antique Georgian lowboy table remains structurally solid and sound, with two of the drawers running well, and one drawer being a little stiff, but still functional. Overall, a rather lovely example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
