Description

A particularly attractive 18th century antique oak coffer. The 18th century antique oak coffer has the original hinged lid that opens to reveal a spacious interior, with a fitted candle box to the right hand side. The antique oak coffer has a two panelled front, with the initials 'S T' engraved. The coffer has further panelling to the lid and sides, and is raised on stile feet. Finished with a fresh coat of natural wax. A good, appealing size. Item Ref; M-3372 . DIMENSIONS: Height – 62cm / Width – 105.5cm / Depth – 48cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and dents to the lid top (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The 18th century oak coffer remains structurally solid and sound.
