Description

An excellent original William IV period side table in rosewood. This was made in England, it dates from around the 1830-1840's period. The quality is amazing and this is a very useful size to be used around the home. The rosewood grain patterns are absolutely stunning throughout, not just on the top but all over the base as well. We have had this re-polished, it is in excellent condition for its age. There is some minor wear here and there beneath the polish, this retains plenty of patina and charm. Width – 18 inches , 46 cm Depth – 18 inches , 46 cm Height – 21 inches , 53 cm
