Description

A well presented late Victorian antique mahogany and pine dressing table chest. The Victorian dressing table has a central swing mirror supported by two turned upright supports. There are two small jewellery drawers or trinket drawers to the surface top. The chest base has an arrangement of two short over two long drawers, each with polished wooden knobs. The Victorian dressing table chest is raised on a plinth base with short bun feet and castors. Good rich colour and patina throughout. A rather good example. Item Ref; M-3546 . DIMENSIONS: Height – 153.5cm / Width – 94cm / Depth – 45.5cm / Surface Height - 87cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the surface top and sides (pictured). The dressing table chest remains structurally solid and sound with the drawers running well. Overall, a particularly good example.
