Description

Antique Late Victorian Open Shelf Walnut Davenport Desk. A Lovely period walnut davenport. We are delighted to offer for sale this excellent condition rare late Victorian (circa 1870) Walnut Davenport desk, ideal for any period property. This very usable and compact desk has a turned finale gallery top with brass bars to the lid of the lift up fitted stationary compartment and is complete with its internal Pigeon hole divisions. We believe the gallery on the top has possibly been replaced by a previous owner. The sloping gold tooled green leather (original) covered writing surface conceals a large interior. This very versatile, functional writing desk is well suited to laptop use as it has a lift up lid with storage compartment to store the laptop and a leather skiver slope to aid writing or even typing on as the slope is a more comfortable position to type. This lovely original Davenport desk is very unusual having 2 open shelves with turned pillars between. The desk is also polished on the back enabling this desk to look at home and elegant placed almost anywhere in a room and stands on original castors. We have sympathetically restored this item maintaining original ...
