Description

A large Georgian mahogany drop leaf dining table. The Georgian mahogany dining table has a rectangular shaped top with a drop leaf to either side that allows the table to be extended. The drop leaves are supported by a hinged leg on either side. The table is raised on six square tapering legs. Good colour and patina throughout. Item Ref; M-2815 . DIMENSIONS: Height – 72.5cm / Width – 63.5cm / Width Extended - 181cm / Depth – 122cm .

CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, and staining to the top (pictured). There is evidence of old historic woodworm to the underside of the table, however, this is long gone and has been fully treated as a precaution. The Georgian mahogany dining table remains structurally sound with the gate legs working work. A particularly lovely example with rather good colour and patina throughout.
