Description

A gorgeous pair of 19th century table lamps, painted in a traditional Kashmiri design of flowers and foliage. Kashmiri designs are often multi coloured but this pair is unusual in that the cream ground makes a perfect foil for just cornflower blue flowers. The lamps are in good condition and have been rewired with fabric twisted flex to UK mains system and are PAT tested. Shades not included. This delightful pair of table lamps would be a decorative addition to any room. c. 1890 Height to top of fitting: 14" 36 cm Diameter of base: 5" 12.5 cm
