Description

An excellent original George III period sideboard in mahogany, of impeccable proportions. This was made in England, & dates from around 1790's period. This is beautifully made and is a really useful size, it is unusually slim in depth for a sideboard of this style. The size makes it equally useful as a console table. It is bow fronted with three drawers and a locking door. There is lovely satin wood inlay around the drawer fronts and all the edges. The mahogany has a gorgeous colour tone and magnificent patina. We have recently had this re-polished to a very high standard, the condition is excellent for its age. Width – 54 inches, 137 cm Depth – 18 inches , 46 cm Height – 35 inches , 89 cm
