Description

A superb antique walnut display cabinet in the Queen Anne Style. This was made in England, it dates from around the 1930's period. The quality is excellent, this has bevelled glass doors, there are stunning and intricate carving around the lower and top edges. The burr walnut grain patterns are fantastic, and this has a polished walnut interior as well, with two adjustable glass shelves. We have recently had this re-polished to a very high standard, the condition is excellent for its age. Width – 39 inches , 99 cm Depth – 16 inches , 41 cm Height – 63 inches , 160 cm
