Description

We are delighted to offer this marvellous and elegantly designed vintage 18K gold necklace. The entirety of the necklace is excellently designed and crafted with a central bow and an enclosing 'snake' chain link design. The 'bow' of the necklace is embellished with fine round brilliant cut diamonds and 'emerald-cut' rubies accenting in between. A large natural pearl hangs freely from the centre of the bow and completes the ornate aesthetic. The chain is equally impressive in design and craftsmanship with a very 'tight' tolerance in the spacing for each link, resulting in an exceptionally smooth yet flexible fitting upon wearing. Ruby, diamond and pearl are known to be the birthstone for July, April and June respectively. A very special gift to a lucky individual or as an indulging gift to oneself. Perfect for uncompromising jewellery lovers and those with an eye for something unique. The unique and endearing design is most certainly a standout and a conversation starter in its own right. The necklace is marked "750" signifying 18K gold. The necklace comes in a fitted black velvet box. Size & Total Weight 35cm inner chain length 56.3g/ 1.84 oz t Con...
