Description

A fine pair of small early 19th Century Old Sheffield Plated candlesticks. Bearing no makers marks but with visible seams, dating these candlesticks to c1830-1840. Beautifully decorated to the bases and non-removable sconces. The condition is good overall with no splits or dents. There is the expected copper bleed to the raised edges and the sticks have been re-baired. There is a slight ripple to the underside of one of the candlesticks but they both stand very well. Weight approx 1.3kg Height approx 18.5cm. Base diameter approx 12.5cm
