## Description

An extraordinary early 19th century Swedish cupboard. Demonstrating a particularly striking and unusually exaggerated arched pediment shaped 'hat' above a pair of panel doors. Featuring its original paint depicting charming deep marron motifs of various designs. The paint has beautifully worn over the years, revealing the wood underneath. A remarkable design, that would grace any interior extremely well. Sympathetic repairs to the base with later refreshed paint to the feet and base rail. Height - 204.5cm Width - 125.5cm Depth is 45.5cm.
