

SA878164

Collection of 10 pairs of antlers

Price

Sold

Item Reference: SA878164

Date of manufacture: 1920

Description

Good decorative collection of 10 pairs of antlers mounted on oak shields. The oldest one is on the middle on the top row, I would say this one dates to around the 1920's the rest are probably middle / end of the 20th century. Largest one is 36 inches high 30 inches wide.

Internal Ref: Mha 0521/6220/2200
