Description

A very rare chance to acquire a pair of matching Art Deco wall light sconces. Made from butterscotch coloured catalin/phenolic Bakelite and newly re-chromed metal-ware with white milk coloured globe shades. These lights make a great statement to any room and are a great size, ideal for many room settings. All the lights are in excellent vintage condition. Both globe shades sit well onto sconces but are slightly different apertures. Regular bayonet fitting for bulbs. These lights are currently not wired, you will need a qualified electrician to wire and install. FREE UK mainland delivery
