Depth = 16 cm (6.3")

Description

A top quality drop-dial wall clock by DELL & CO. BRISTOL. who are recorded as working there 1866-1899. A top quality mahogany case that retains it's original French polished finish and has the most gorgeous warm patina. It has quality carved ears to the lower half and side inspection doors with a key locking door to the underside. The pendulum can be seen operating through the glazed lenticle below the dial. The 12" dial has black Roman numerals with nicely cut hands and the makers name displayed. The nice brass bezel contrast beautifully with both the case and dial. The 8 day fusee movement has just been fully overhauled by our Bhi registered staff and carries our usual 12mths full parts and labour guarantee. A clock that will add a touch of class to wherever it is displayed. All cards accepted.
