Description

A smart and useful antique mahogany bookcase in the Georgian style. This was made in England, it dates from around the 1930-50's. It is of great quality and is a very practical size, being nice and slim, yet offering lots of storage space. The upper glazed cabinet has been painted light blue and contains adjustable shelves. There are two drawers in the middle and another locking cabinet in the lower section. We have had this recently re-polished, the condition is excellent for its age.
