Description

A fantastic original Art Deco period occasional side / centre table in walnut. This was made in England, it dates from the 1930's. It has a beautiful stepped design, with the three circular tiers overhanging each other giving an S shaped profile. The quality is superb, this so very well made from walnut and looks great from all angles. The walnut is veneered in a geometric design on the top and lower surfaces, the sides have gorgeous figured walnut. We have had this recently stripped and re-polished to a very high standard, the condition is superb throughout. Width – 63 cm , 25 inches Depth – 63 cm , 25 inches Height – 60 cm , 24 inches
