Description

A Lovely Pair of Large French Chateau Window Mirrors. Repurposed with mirror now replacing the glass. Nicely distressed paint finish and retaining their original ironmongery including handles. Standing at over seven feet tall they will throw lots of light in a room. Great as dressing or bathroom mirrors, stair or hall way mirrors. Good in a lounge or living space to add dimension and light. These were originally a pair of glazed windows or doors and so can be split into individual mirrors. Price is for the pair.
