Item Reference: SA879363**Date of manufacture: 19th Century**

Description

Antique Chain Fusee Mantel Clock Rococo Gilt Bronze Ormolu Case Granges London. This beautiful antique clock has a fabulous rococo style ormolu case made of gilt bronze. The case has a wonderful hour glass shape with exquisitely detailed, scrolling design. The case also features an array of textures with polished, brushed, and pitted surfaces which show off its quality and give the design much more depth. The base of the case is then as intricate as the body with a shaped, scrolling design. A truly beautiful example of the upmost quality and a very rare and hard to find design for a fusee time piece. The dial is then gilt and set out in black, painted roman numerals with a thin ring of dots and dashes to the outside marking out the minutes. The centre of the dial then has a gilt, cast bronze design which is beautiful. Finally the dial has a wonderful patterned surround and is finished by two beautifully shaped hands. The movement is then chain fusee and of the upmost quality. It is ticking away as it should and comes complete which its pendulum which can be fully regulated as well as its winding key. The movement also comes complete with its travel nut and is signe...
