Description

This delightful pair of 19th century Kashmiri lamps are painted in a two tone palet, which is unusual as Kashmiri designs are generally multi coloured. The lamps are raised on a twisted column and sit on a domed and dished base. The condition is very good, they have been rewired to comply with the UK mains system and are PAT tested. The shades are not included. A most charming pair of table lamps to suit any interior. c. 1890 Height to top of fitting: 10.5" 27 cm Diameter of base: 3.75" 9.5 cm
