## Description

An unusual and neatly proportioned antique oak extendable table named 'The Bee Table'. The antique oak extendable table has a hinged fold over top that opens outwards to create a larger table top. The fold over pieces are supported by the legs and frame being extended. The table is raised on four turned legs. Ideal and convenient for smaller kitchens and dining areas. Item Ref; M-3611a . DIMENSIONS: Height - 76.5cm / Width - 75.5cm / Depth - 91.5cm / Width Extended - 151cm / Legroom - 60cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the surface top (pictured). There is further wear to the frame, including marks and fading to the legs (pictured). The antique oak extendable table remains structurally solid and sound. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
