Description

A lovely 19th century antique mahogany chest of drawers. The antique mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with wooden knobs. Raised on block feet. A well proportioned chest of drawers. Item Ref; M-2857 . DIMENSIONS: Height – 91cm / Width – 107.5cm / Depth – 50.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the surface top and drawer fronts (pictured), also some minor losses to the drawer beading (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a particularly good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
