Description

A 17th century antique oak food cupboard on a later associated pot board base. The antique oak food cupboard has a two door cupboard, with decorative pierced ventilation holes, that opens to reveal a spacious interior. A single under tier pot board shelf sits below the cupboard, and is raised on four stile legs. A rather charming piece. Item Ref; M-3205 . DIMENSIONS: Height – 119cm / Width – 113cm / Depth – 46cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top and pot board shelf (pictured). There are some minor losses to the top cornice (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak food cupboard remains structurally intact. Overall, a great example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
