Description

A superb elegant example of an antique mahogany chest on chest. This was made in England, it dates from around the 1900-1910 period. It is of amazing quality and is a very useful size, with lots of storage space. This has a serpentine shaped front, sits on splayed bracket feet and has beautiful original brass handles. The flame mahogany has a beautiful colour tone, stunning grain patterns and gorgeous patina. The drawers are solid wood lined, and have fine, hand cut dovetailed joints. They are also all graduated in depth with locks in all. We have recently had this re-polished, the condition is excellent for its age. Width – 31 inches , 78 cm Depth – 19 inches , 49 cm Height – 62 inches , 157 cm
