Description

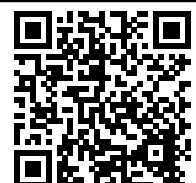

A wonderful 18th century antique oak dresser base or sideboard. The antique oak dresser base has a two plank top, with an arrangement of five fitted drawers, and two blind single panel cupboards. Both cupboards open to reveal a spacious half shelved interior. The antique oak dresser base is raised on bracket feet. Item Ref; M-2643 . DIMENSIONS: Height - 81cm / Width - 171cm / Depth - 55.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, stains and scratches to the surface top (pictured). There is further wear, including splits to the cupboard doors. There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The brass knob on the right hand cupboard is slightly loose, but still functional. The antique oak sideboard remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the...
