Description

An appealing Inlaid Mahogany double bed from the Edwardian Era, circa 1910. It is solid and most useable but has some light fade and a few scuffs from useage. It is in solid Mahogany with a pretty inlay in the main splats and string inlay elsewhere. It is a standard double bed to take a normal mattress of 4ft 6ins by 6ft 3ins. It is priced according to its condition at only £110 as it stands. It has come with a couple of other items and is to clear. There is also an inlaid wardrobe from the same place, that is £150 and its very clean. We would be open to doing a good deal for both items. These are the best deal we could find on Selling antiques by a long way..... Please see details of other item on our web site or give usa call 01565 874075. OTHER ITEMS SOLD COME AND COLLECT £75 TO CLEAR.
