Description

This inlaid wash stand is in tody condition with a good white marble top and a marble upstand on the back which is 23 cms high. There are two pretty support brackets between the top and back which are quite unusual. The woodwork is pretty clean both inside and out and there is a useful cupboard behind the inlaid door. On each side are towel rails which are also good and tidy. The catch works as do the castors. It is certainly priced to sell having come with a couple of other items. It is £110 as it stands but a standard double bed came with this and the two can go for £150. Give us a call to discuss or check out the bed on our web site. Sizes below are on the marble top.
