Description

This is a very stylish 19th century French desk. It is a fabulous design with bronze details and a stunning worn leather top. It is a great size and ideal for multiple screens. It even has two pull out sections to give you extra space. The condition overall is very good with attractive honest wear. The drawers are visible on both sides meaning the desk can be placed in the centre of a room. The drawers are false on one side however. This is a wonderful desk that would work well in a number of interiors. Height 78cm Width 140cm Width with extensions 227cm Depth 79cm Including UK mainland delivery
