## Description

A beautiful and substantial silver potpourri box. In excellent condition with elaborate Art Nouveau foliage decoration around the sides. The pierced lid is heavily decorated with foliage and Lancastrian roses and has a vacant cartouche. Culminating on typical Art Nouveau design feet, this piece is without scratches or dents. It could be used for a number of uses but looks beautiful with potpourri. The crisp hallmarks are for London 1904 and made by Samuel Jacob.
