Description

FINE & RARE continental Dresden porcelain chocolate cup, cover and stand. Marked with the Agustux Rex mark to the base. This is as good an example of this form of cup and stand as I have seen. It is beautifully painted all over and nicely gilded also. There is virtually no rubbing. The base section is particularly nice with the high fretted section that the cup sits in. There is a very minor nibble to the top of the lid knob otherwise this is in very good condition. Price includes UK postage and packing costs. SIZE; 5" diameter saucer, 5 1/2" high overall CIRCA; 1860 - 1880
