Description

Circa 1890 a bronze adjustable height oil lamp by the Wild & Wessel Co. Berlin. The trademark is clearly visible on the front - PATENT WILD & WESSEL BERLIN. On the base are the initials W & W and the number 1373. The lamp measures 55cm in height, it is approximately 24cm across and the base is 15cm in diameter and it weighs 4.3kgs. The Wild and Wessel company started by Emil Wild and Wilhelm Wessel was based in Berlin in the late 19thC and became well known for the fine quality of their oil lamps. This lamp was once electrified and has the old lampholder inside the fitting. It is in very good condition, with a tiny ping to the edge of the ring around the lamp holder - see photo 3. Postage and packing is not included in the price and we are happy to quote for delivery if you contact us with your postcode. Or collection from us in Surrey or SW London can be arranged by appointment and a discount on the price will be given.
