Description

Harlequin Set of 4 Antique Victorian Slat Back Windsor Chairs. Chairs with beautiful wear patina. We bring to you this charming harlequin set of 4 Victorian 19th century slat back kitchen chairs in lovely condition. These traditional chairs feature their original worn dark french polished finish with lots of patina and character. These lathback chairs have a shaped back with slats going to a sculpted seat finishing to turned legs with stretchers between. These chairs are a harlequin set so there are slight differences between the chairs, mostly in the turnings. The colour is tonal across the chairs and we believe these chairs have been together for many years. The chairs are in strong condition with no wobbles or joint movement. The chairs have been cleaned and waxed and are ready for a new home.
