Description

Gents 1950s Rodania wrist watch. The watch has a 17-jewel hand-winding movement, signed Rodania, which is working nicely. The watch measures 32.5mm diameter excluding the winding crown and the lugs. The main body of the case is chrome plated while the case back is stainless steel. There is some age related wear and marking. The lens is in lovely condition. The signed dial is in its original finish with original hands, concentric circles running through the numbers and a subsidiary seconds dial. A new leather strap has been fitted. The watch comes in a new presentation box.
